

Lanzo ShowDisplay according to BEEP concept

Our new display model convinces with decisive features:

- attractive design
- high functionality
- very reasonable price
- light-weight – easy to carry
- high-end, 6 mm thick acrylic glass
- with vent holes
- optimum dimensions
- perfectly fitting for example for BraPlast boxes and others
- optional lighting
- maximum theft protection
- escape proof (meets the requirements for the presentation of venomous snakes at reptile shows according to BEEP concept.)

The way our ShowDisplay will be erected the hinge side points to the attendants so nobody unwanted has access to the display interior. The vendor has convenient access opening the transparent lid as far as necessary. In the closed state the display can be locked safely with two dome nuts.

The ShowDisplay can be opened from the vendor's side so access to individual boxes is convenient.

Exterior dimensions: 79 cm wide, 63 cm deep, 22 cm high

Interior dimensions: 77 cm wide, 61 cm deep, 20,5 cm high

Our ShowDisplay provides room for e.g.

12 pieces BraPlast box ca. 19 x 19 x 19 cm or
